

Every Cent Counts!

community rewards

Did you know Fry's has a community rewards program that will give **Sun Life Family Health Center**, a local nonprofit organization, a small percentage of your dollars spent when you shop at Fry's and use your Fry's VIP card?

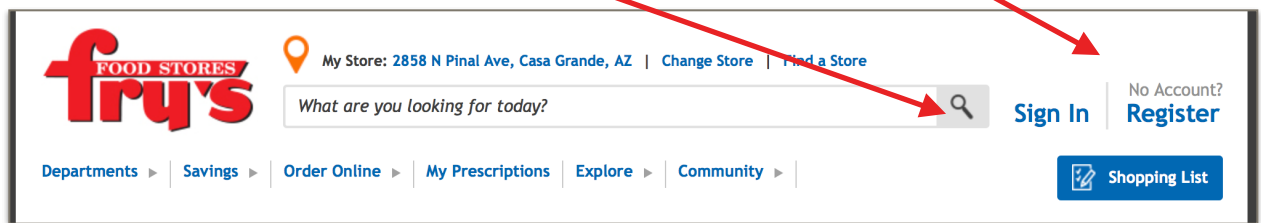

Yep, that VIP card you swipe or phone number you enter that makes your box of crackers \$1.88 instead of \$2.99 can actually do even more than save you money. It can help you give a few cents to a good cause **every time you shop**.

Here's how to make it happen.

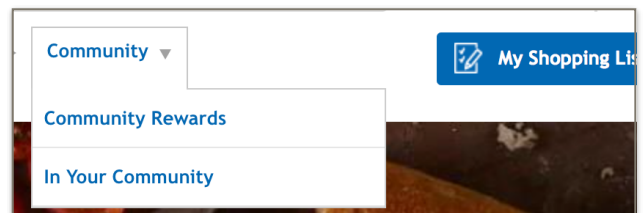

1. Go to <https://www.frysfood.com>

If you don't have an online account (different than having a card) click **Register**.

If you have an online account, click **Sign In**.

2. Once you are signed in go to the Community tab and select **Community Rewards**.

3. Scroll to bottom of page and hit the **Enroll Now** button.

If you have a Fry's V.I.P account, click the **Enroll Now** button below to enroll/re-enroll in the Fry's Community Rewards program.

Enroll Now

4. Type in **Sun Life Family Health Center** and select as your charity.
